Chairman's Report

2016-17 has been a year in which the Victorian Scottish Heritage Cultural Foundation (VSHCF) has taken further steps forward in ensuring that the Scottish cultural heritage of Victoria and Australia continues to enjoy active support and encouragement.

An important decision in the growth of the Foundation in the last twelve months has been the appointment of Carol Davis as the Foundation's first Chief Executive Officer. With the Board and sub-committees made up entirely of volunteers and, growth in Foundation's activities, it was deemed important to more formally develop an executive function within the organisation. Carol through her passion for Scottish heritage, established network within the broader Victorian Scottish community and extensive experience in business has been a valuable addition and greatly enhanced the Foundation's organisational capability.

A major strategic focus of the Foundation continues to be to increase the awareness of the VSHCF through building our audience and connectivity with the wider Scottish community in Victoria. This has seen the Foundation embark on a number of initiatives during the year including:

- Continuing to build out our communications strategy and website, with the aim of attracting wider more diverse project applicants;
- Collaborating closely with the Scots of Victoria coordinating group in publicising and developing greater awareness of the Foundation's activities; and
- Exploring the opportunity to stage a Melbourne Scottish cultural day

In July 2018 the Foundation, in conjunction with Scots of Victoria, is planning an inaugural Melbourne Scottish Tartan Day. This is designed to showcase Scottish heritage and culture through an exhibition and events that bring the Victorian Scottish community of all ages together. Plans are well advanced and, it is hoped if successful this will become an annual event on the Victorian Scottish calendar, adding to the celebration of cultural diversity in the State.

The Foundation has also commenced an initiative to design and develop a 'Tartan Project' educational teaching module for secondary schools. It is intended that this will be able to be introduced into the art curriculum providing an opportunity for students to learn about Scottish history, textile design and culminating in a tartan design competition and school tartan. The Foundation has identified pilot schools to work with and it is hoped that once trialled this can be an educational module that will be able to be rolled out more broadly across secondary schools in Victoria.

During the year, the Foundation continued to expand its bagpiping and drumming scholarships program to secondary schools, and also established its first Scottish dance scholarship, thanks to the work of Liz McKenzie and her involvement with _____.

The Project and Grant Management Committee again had a busy year, and was in receipt of a wide range of projects applications. Projects the Foundation supported during the year included:

- Prizes and trophies for the Victorian Pipers Association Victorian Piping Championships
- Assistance in staging the Stonington Scottish Country Dance
- Purchasing new drum cases for the Hawthorn City Pipe Band
- Travel assistance for a Victorian school girl invited to participate in the Canadian Summer Drum School
- Sponsoring Scottish fiddle maestro Alasdair Fraser to come to Victoria to participate in the Victorian Scottish Fiddle Club camp.
- Supporting the Scots Day Out event in Bendigo – a celebration of contemporary and traditional Scottish heritage
- The sixth Robert Burns Scottish Festival at Camperdown.
- Purchase of bagpipe covers and cords for the Old Scotch Pipe Band

During the year, the Communications and Fundraising Committee continued to develop the Foundation's fundraising and donor support program. This continues to be an important focus to ensure we can broaden the types of projects the Foundation can

support, and taking the organisation to the next level. As a not-for-profit organisation, the Foundation relies heavily on the generosity of its supporters and donors. The Foundation is fortunate to have a substantial corpus, as a result of the gift of the late Mr Geoff Donaldson, but the development and expansion of the Foundations program is dependent on supplementing the income from our invested capital with further fundraising and bequests. Our vision is to grow the corpus over time and with it the number and variety of projects we support. We are currently supporting projects of approximately \$25,000 to 30,000 p.a, but it is hoped this will increase as the corpus grows.

The activities of the Foundation rely heavily on the support of the volunteers and co-opted members of the various sub-committees. I thank Carol Davis for her oversight and executive leadership and Scott Montgomery of the Old Scotch Collegians Association for his ongoing support in the secretarial functions of the Foundation. I also thank the co-opted members of the various sub-committees including Liz McKenzie, Ric Falconer, Nick Jarman and Graham Bradbeer who give of their time freely and willingly.

Finally, I would like to extend my appreciation to the current Board of Directors who give a considerable amount of time, thought and effort to overseeing the activities of the Foundation. I thank them for their continued support and diligence in their deliberations.

Directors' Report

The Directors have pleasure in presenting their report together with the accounts of the Victorian Scottish Heritage Cultural Foundation for the year ended 30 June 2017.

Organisational Structure

The Victorian Scottish Heritage Cultural Foundation Limited is a company limited by guarantee, and is listed on the Register of Cultural Organisations under the Income Tax Assessment Act 1997, and its public fund, The Victorian Scottish Heritage Cultural Foundation Ltd Public Fund, is eligible to receive donations as a deductible gift recipient.

Objectives and principle activities

The core principles of the VSHCF that underscore objectives of the Foundation are to:

- Promote the values of the Scottish enlightenment, including high value placed on education for all, the role of reason in building modern society, and belief in egalitarian values. The focus of the foundation on education reflects the deep roots of schooling in Scottish culture, and the key role of schooling in transmitting cultural heritage from one generation to the next.
- Recognise Scottish traditions and celebrate Scottish heritage through encouraging and promoting public participation in, and performance of, Scottish cultural activities.
- Promote and recognise excellence and achievement in the performance of Scottish cultural activities.

The objectives of the VSHCF are to:

- Manage the VSHCF Public Fund to support the promotion and recognition of, and participation in, Scottish culture and heritage in Victoria and throughout Australia.
- Foster appreciation and awareness through experience of Scottish cultural activities, and develop opportunities for promotion of Scottish music, Scottish cultural events, research into Scottish culture, the development of instructional materials for teaching and displays, the production of cultural items, and culturally relevant visits.
- Award prizes and scholarships in recognition of excellence and to encourage advancement of skills and cultural understanding and promotion of Scottish heritage, particularly within secondary schools.
- Fund the promotion of events that celebrate and promote Scottish cultural traditions and heritage.

Grant making policy

The Foundation has established a funding policy to achieve its objectives for the public benefit.

- Funding for the majority of projects is made in response to applications and/or an expression-of-interest in relation to projects advertised by the Foundation on its website, although occasionally grants may be made in response to a need or opportunity pro-actively identified by the Foundation. The organisation applying to the Foundation must be the organisation that will run the project or program for which a grant is being sought.
- Programs selected for funding will have clearly defined objectives and measurable end results. The output of projects must be available to the public, and preference will be given to projects that involve members of the public.
- The Foundation does not fund existing projects, although may consider applications for strategic expansions of existing programs or new/innovative additions to an existing project. The Foundation does not fund retrospectively and will not fund projects that have already started.
- Applicants must be domiciled and undertake their primary activities in Australia, although the Foundation will consider supporting tours by Australian applicants overseas, exchange programs and invitations of overseas visitors to Australia where it furthers the promotion of Scottish culture and heritage, and activities of the applicant.
- Applicants are NOT required to be incorporated or have Deductible Gift Recipient (DGR) or have Tax Concession Charity (TCC) status, but organisations or Groups applying are required to be not-for profit.

Projects that will not be considered include:

- General fund raising appeals.
- Retrospective funding – projects which are already underway or which will commence prior to the date indicated in our online application information are not eligible for consideration.
- Recurrent expenditure for which there is no future provision.
- Capital or endowment funds established to provide a corpus for institutions.
- Auspicing (an ineligible organisation applying to the Foundation via an eligible organisation) is not permitted – the organisation applying must be the one that will run the program or project.
- Applications for projects that have previously been declined by the Foundation cannot be resubmitted.
- Applications will not be accepted from organisations that have not successfully acquitted previous grants from the Foundation.
- Sport, recreation or social activities for their own sake.

Application process

- **Projects applications:** The Foundation will advertise for Projects on the VSHCF website. To be eligible applications must reach the VSHCF by the closing date stipulated in the advertisement for the matter applied for.

The Board has the discretion to consider project applications in exceptional circumstances in response to a need or opportunity pro-actively identified by the Foundation.
- **Funding bands:** Organisations and individuals can apply for up to \$10,000 for one-off projects. Funds are modest, and highly expensive projects will not be considered. Multi-year grant commitments will be considered in exceptional circumstance and considered on their merit.
- **Applications:** Applicants should apply by completing the current application form, which can be found on the VSHCF website at www.vshcf.com.au, and be accompanied by a letter supporting the case for funding and accompanied with

All project applications will be reviewed and decided on by the VSHCF board. After the board has assessed all applications you will be notified in writing whether or not your application has been successful.
- **Feedback:** The Foundation is run by a small number of staff. Unfortunately, it is not possible for us to provide formal feedback for unsuccessful applications.
- **Grant conditions:** All projects are subject to our Standard Project Conditions which outline obligations for successful applicants, such as reporting and evaluation, after a Project has been funded
